**Organisation wide awareness and undertakings on policies  
with zero tolerance**

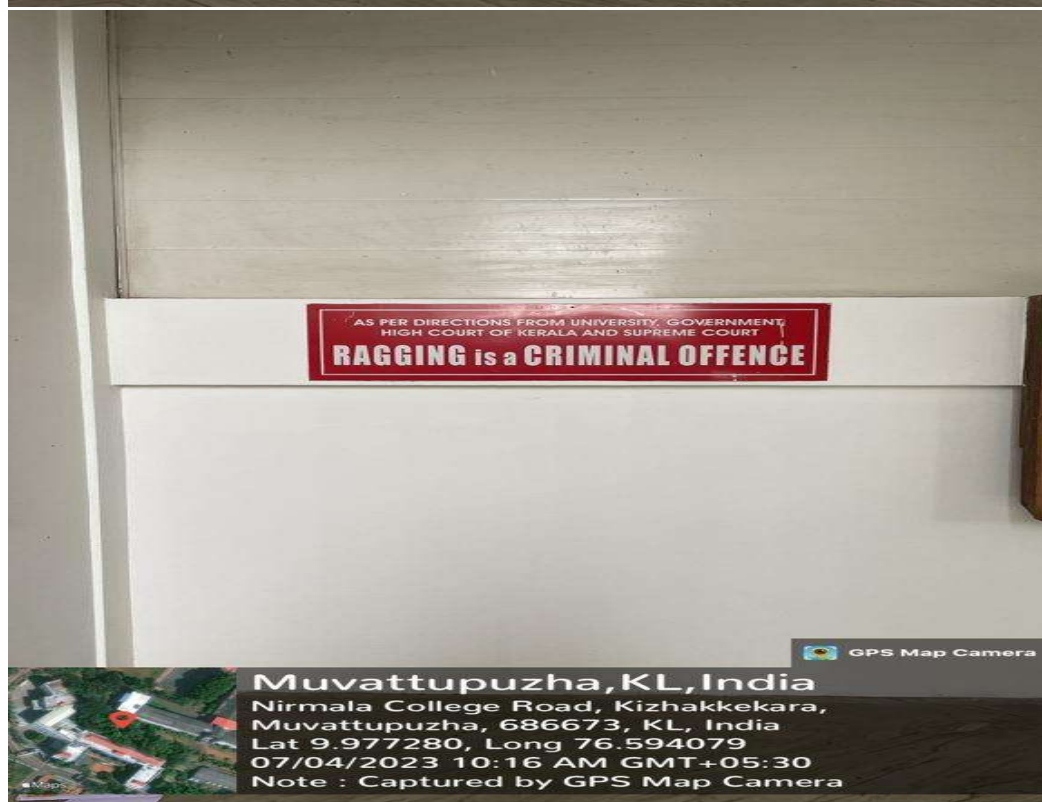

Displaying the signs in prominent locations, such as notice boards, classrooms, hostel notice boards, college buses, canteens, etc., helps to raise awareness of policies throughout the organisation and encourage policy-related actions. To address student complaints, the committee has frequent meetings. To stop the ragging threat, anti-ragging squads are developed. In order to prevent ragging, they keep watch over the campus during breaks. Before the start of every academic year, senior students get education sessions on anti-ragging legislation and its effects.
