Dear staff and students,

As you are aware that the new educational policy gives weightage for the skill development program, in line with this, to encourage the students for undertaking various certificate skill development programs the management first time offers a scholarship for undertaking government approved online s MOOC courses such as SWAYAM/NPTEL..The scholarship is named to honor “George Siemens” and will be referred as “Siemens Scholarship “.The purpose of this scholarship is to provide plenty support for students to encourage their career development.

Students of all batches are eligible with a total of 10 students from each batch. The scholarship amount is limited to 50% of registration fees (Maximum amount is 500 Rs). The interested students give the names to class teachers. The students can avail the amount after submitting the completion certificate. If more number of students is approaching from each batch priority is given based on Academic performance.

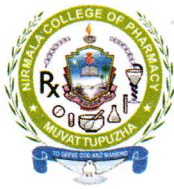

All students kindly use this opportunity; the mentors are requested to encourage the students to undergo the above.
