Visit to Providence Home for mentally handicapped, Karakunnam, Kothamangalam

The newly enrolled NSS volunteers of Nirmala College Of Pharmacy, Muvattupuzha academic year 2021-2022 had visited a providence home at karakunnam, kotha,mangalam. This is a home for mentally handicapped girls and women. It is run by the Congregation: Little Servants of Divine Providence (LSDP). The sisters who run the home have no income whatsoever. The house is therefore completely dependent on donations. The purpose of our visit was to meet the inmates and to celebrate Christmas with cake cutting, cultural activities by our students and lunch for all inmates including their staffs. The in charge of providence home welcomed us and gave an opportunity to interact with the inmates ensuring all covid protocols. This was also an opportunity for many of us to realize to help and love the

most needy group of our society. The fund was raised by the NSS volunteers of second year B.Pharm. We returned at 12.30 PM.
