

SMHRC/IL/1054/2023

Dated On: 15/09/2023

To Whomsoever It May Concern

This is to certify that the following Pharm D internship students of Nirmala College of Pharmacy, Muvattupuzha successfully completed their hospital posting at Smita Memorial Hospital, Thodupuzha, during the academic year 2022-23. Throughout their internship, these students actively participated in various clinical activities, including ward-rounds, patient counseling, drug therapy monitoring, and clinical discussions. They demonstrated their commitment and dedication in multiple departments, including General medicine, Pediatrics, Gynecology, Orthopedics, and General Surgery. Furthermore, these students contributed significantly to the hospital's efforts in promoting public health by actively participating in cancer screening and detection surveys. They also played a vital role in the development and maintenance of the hospital formulary. Their involvement in research publications and patient awareness programs showcased their dedication in improving healthcare outcomes. In addition to their academic pursuits, these students organized various events such as flash mobs and cultural activities during their hospital posting, creating awareness about various health issues among general public.

We are proud to acknowledge their exceptional performance and valuable contributions during their internship at Smita Memorial Hospital and we wish them continued success in their future endeavors.

Students who have undergone internship at Smita Memorial hospital are
